

Bollard Lights

A Bollard light is a versatile lighting solution designed for indoor and outdoor use. It is made with strong, weather-resistant materials suitable for different surroundings. The light has a stylish design with a modern look. The LED optics provide a uniform pixelation free image, managing glare while providing high levels of visibility. Simple and classy design, with the choice of opal or clear diffuser to provide brighter or softer light effect. Bollard light delivers brightness and durability while minimizing energy consumption. It is equipped with high quality energy-efficient LED technology. For decorative, general, or pathway lighting, bollard light is a reliable option that improves safety and looks great.

- HOUSING: Die cast aluminum powder coated with choice of RAL color
DIFFUSER: Clear PMMA
REFLECTOR: Anodized Aluminum
LED: Reducy Energy Consumption with L80/B10/F10
AVERAGE LIFE:50,000 hrs Lifetime Working Under Temp (-20°C - 50°C)
